Character Coaches Teaching Guide

Title: **Becoming a SUPER Teammate**

*Big Idea: We are better together! TEAM ASSEMBLE!*

Question: What is the greatest team ever assembled? (Sports team, Avengers, etc.)

One of the greatest fictional teams ever assembled is The Avengers! The Marvel universe is made up of different characters that have amazing skills but ultimately they have to come together and put their egos aside to save the world/or universe.

*The trademark of a great team is; skilled individuals combining their abilities to become AND achieve something great!*

Ecclesiastes 4:12 says, "By yourself you're unprotected. With a friend you can face the worst. Can you round up a third? A three-stranded rope isn't easily snapped."

Question: How can you be a great teammate?

**Super Teammates actively do these 4 key things:**

**Learn -**

- Super teammates learn from other great teammates
- Pay attention to those around you who are doing well and be willing to learn from them.

**Own -**

- Super teammates take responsibility for their actions
- When you make a mistake, own up to it. Don't blame others, but be willing to grow from it.

**Serve -**

- Super teammates put others before themselves.
- Be attentive to what is happening around you. You aren't the center of the universe!

**Support -**

- Super teammates let their teammates know they have their back.
- Cheer on your teammates on and off the field (when they do well AND when they struggle!) Use your words for encouragement!

**Jesus was the perfect example of a super teammate.  
He was observant, understanding, encouraging, and affective!**

Practical Application: In today's game use your words to encourage each of your teammates and let them know you believe in them and have their back! TEAM ASSEMBLE!

Prayer: God, thank you for allowing me to be part of a team! Use this team to grow and develop me... and use me to encourage and support them. For your glory and our good! Amen!
